

## Turn to the Tahoe City Public Utility District for Your Water Conservation Needs

The water conservation cash rebate programs and water surveys are only a few of the ways the District can help you save water at your home or business. We also offer:

- Water Conservation Line, 583-3796 x 30
- Home and Business Water Surveys
- Presentations to Organizations and Schools

When you save water, the whole community wins. Turn to the Tahoe City Public Utility District for water and money saving ideas. [www.tahoecitypod.com](http://www.tahoecitypod.com)

GPF: Gallons Per Flush

HET: High Efficiency Toilet, Single or Dual flush toilets with 1.3 GPF capacity or less. Must be non-adjustable and listed on the EPA's WaterSense table at [http://www.epa.gov/WaterSense/pp/find\\_het.htm](http://www.epa.gov/WaterSense/pp/find_het.htm)

- You must be a TCPUD customer.
- **You must request a water use survey prior to filing a request for rebate.**
- If you are a water customer you must be in full compliance with District cross connection regulations.
- Have purchased and installed the equipment in your business or residence after August 1, 2009.
- Complete and submit a cash rebate program application to the District with proof of purchase.
- Allow an inspection of your equipment and/or measures by an authorized District representative.

To schedule a water use survey or if you have questions or would like more information call the District's Water Conservation line at 530 583-3796 x 30.

Conservation rebate funds are limited and available on a first come first served basis. All rebates are at the discretion of the District.
