- Explain Ordinance No. 307 – *Parking and Use Regulations at the Lake Forest Boat Ramp Facility*
- Answer general questions

# TRPA Water-Oriented Outdoor Recreation Concession Permitting

---

## Shoreline Plan

- Ensures boating and shoreline activities do not harm Lake Tahoe
- What qualifies as a water-oriented concession?

## Eligibility

- Landowner as permittee
- Demonstrate the activity is an appropriate use for its location
- Motorized concessions need to be operated in marinas in most cases

# TRPA Water-Oriented Outdoor Recreation Concession Permitting

---

## **How this applies to Lake Forest Boat Ramp:**

- No existing TRPA permitted concessions operating at Lake Forest Boat Ramp
- In most cases, concessions will need to operate out of a separate marina
- Concessions permitted at other locations can be launched and retrieved at Lake Forest Boat Ramp
- Operating at a site vs. launching and retrieving

# TRPA Water-Oriented Outdoor Recreation Concession Permitting

---

## Permitting/Application Process

- Find an appropriate area for operation
- Landowner permission to operate
- Submit a complete application jointly with the landowner
- Planner assignment and review
- Permits remain valid so long as permit conditions continue to be met
