Welcome to the new Fall-Winter Activity Guide

Thank you to everyone who joined us this summer as a participant or visitor. Whether you experienced our multi-use trail system, attended Camp Skylandia, sailed with our Tahoe Community Sailing Program or enjoyed live music at Concerts at Commons Beach, the success of our parks, programs and events is a direct result of you.

We are excited to present our new Fall / Winter Activity Guide, featuring programs and events that will take you through May, 2020. In this Guide you will find exciting additions including Pee Wee Basketball and a Cornhole League. This marks our third season bringing Tahoe City Winter Sports Park to our community where you can enjoy sledding, ice skating, and cross country skiing all in one day. Popular programs including ice hockey, basketball and R.A.P. will return for youth, and for adults, share a fall evening with us on the bocce courts at the Tahoe City Golf Course. We look forward to seeing you this season!

Bocce Ball is a casual and low-impact sport that is usually played on a hard packed soil or paved court with plastic balls about the size of a softball. Easy to learn, social, affordable and strategic, this centuries-old pastime began in Italy. Over the last decade, Bocce has been growing in popularity in the Tahoe Sierra as more restaurants, golf courses, and community spaces have been building courts for locals and guests. The success and growth of Bocce Ball has been seen at the Tahoe City Public Utility District. One night of Bocce Ball is offered this autumn and the summer 2020 series is expanded to three nights a week to accommodate the demand. The Bocce Ball courts were built in 2014 at the Tahoe City Golf Course at the request of the community.

Fall Bocce League (18+)

Permanent pickleball courts served into play at Kilner Park

Still time to enjoy Pickleball

Pickleball, a wildly popular sport for all ages, is now available full-time at Tahoe City's Kilner Park. The game combines elements of tennis, badminton and ping-pong, and is played with a paddle and wiffle ball in singles or in teams of two. If you've never played, come play in Tahoe City!

The Tahoe City Public Utility District planned the pickleball court construction in conjunction with a tennis court resurfacing project. During the project, one of the two tennis courts was converted to four permanent pickleball courts, and temporary pickleball courts striping was added to the other tennis court. Kilner Park now offers both pickleball and tennis for public enjoyment.

TCPUD hosted a grand opening and ribbon-cutting in July 2019 at the new pickleball courts with over 30 players of all ages and abilities attending including three past national champions, Matthew Blom (USA Champion), Emanuel Sanchez

(Mexico Champion), and Ron Schmeck, USA's oldest pickleball champion at 88 years old.

Kilner Park is 3.5 miles south of Tahoe City on the corner of Highway 89 and Ward Avenue. This wooded 7-acre park adjacent to the west shore bike trail has a playground, lighted tennis and pickleball courts, a sand volleyball court, walking and biking trails, picnic tables, group BBQ area, and restrooms. The public pickleball and tennis courts are open daily this fall from 8am to 10pm.

Drop In Pickleball (All ages)

Drop in and play the nation's fastest growing sport. Having fun is the number one rule in this sport.
