

Water: Conserve, Protect, Enjoy.....The Tahoe Way

BUDGET

GET INVOLVED IN TCPUD'S 2019 BUDGET PLANNING PROCESS

TCPUD is developing its budget and goals for 2019. Ensuring long-term financial stability is one of the District's most important strategic initiatives. Each budget cycle is an opportunity to plan for the most cost effective and efficient ways to provide you services and to safeguard lasting fiscal sustainability.

The best way to participate in the budget process is to attend committee meetings prior to the budget workshop. The Parks and Recreation Committee will meet October 16th at 8:30 AM, the Finance Committee will meet October 17th at 8:00 AM, and the Sewer/Water Committee will meet October 18th at 8:00 AM. Each committee will review and discuss the proposed budget, goals, and objectives. TCPUD will hold a budget workshop on Tuesday, November 7th at 3:00 PM in the TCPUD Board Room. Your input is important and the community is invited and encouraged to participate in this process. For more information, or to sign up for email notifications, please call 530-583-3796.

REGIONAL HOUSING

TCPUD is aware of and tracking the local housing crisis that impacts the local economy, community and our employees. TCPUD and its Board have taken an active role in addressing this challenge by filling a seat with and contributing to the Mountain Housing Council of Tahoe Truckee.

The TCPUD Board of Directors also adopted the Mountain Housing Council's expanded definition for achievable housing; a definition that strives to include residents that may make too much money to qualify for traditional affordable housing, yet too little to acquire market rate housing. That group, termed the "missing middle", includes teachers, firefighters, police and TCPUD employees.

TCPUD is committed to working with our community partners and finding solutions for the region's housing challenges.

YOUR BOARD OF DIRECTORS

A five-member Board of Directors elected to staggered four year terms governs the Tahoe City Public Utility District. The Board of Directors meets on the third Friday of each month at 8:30 AM in the TCPUD Board Room.

November 6, 2018 is Election Day. There are two (2) seats up for election in 2018, and a total of three (3) candidates have filed for office. Directors are elected at large by the voters within the District boundaries. The Placer County Elections Division conducts elections.

CAPITAL PROJECT UPDATE

Bunker Tank—The new bunker tank is nearing completion and should begin servicing the Tahoe City water system by the end of November. The demolition of the old redwood tank is scheduled for spring 2019. The new tank will increase the water storage in Tahoe City from 0.5 million gallons to 1.2 million gallons.

Truckee River Trail Replacement - The replacement of the Truckee River Bike Trail began this spring with the grinding and repaving of the section of trail from Alpine Meadows Rd.

to Midway Bridge. Shoulder work, root barrier installation, and drainage improvements continued throughout the summer. The trail is now closed from River Ranch to the Tahoe City Lumber Yard for a full grind and replacement of the largest and oldest section of trail. The trail is expected to reopen after October 15th.

The Central Federal Lands SR 89/Fanny Bridge Project

— Construction of the new Truckee River Bridge and new alignment east of the Caltrans maintenance yard on SR 89 will continue through October 2018. Following the completion of the new SR 89 alignment and Truckee River bridge, a roundabout at the existing Tahoe City "wye" will be completed along with the replacement of Fanny Bridge. Work on replacing Fanny Bridge and constructing a roundabout at the "wye" are now planned for 2019. For more information, please visit www.FannyBridge.org.

NEW HIRE

Renee Christensen - Renee joined the District in June as an Accounting Assistant II handling payroll and accounts payable. Renee holds a bachelor's degree from San Francisco State University in Business Administration and prior to coming to TCPUD she worked for the Visalia Unified School District in both human resources and payroll positions. In her free time Renee likes to camp, hike and visit the ocean whenever she can. The District is very pleased to have Renee join the team.

The Tahoe City Winter Sports Park is gearing up for another great season. This is the second year that TCPUD has handled the full operation of the park with the continued partnership of Café Zenon. The scheduled opening for the ice rink is Thanksgiving Day (Thursday, November 22nd), with the sled hill and ski trails opening as soon as conditions permit. Season passes will go on sale November 1st, rates and information will be found at www.wintersportspark.com or follow us on Facebook.

WINTER SPORTS PARK
