# Welcome to the 2020 Summer Activity Guide

The Tahoe City PUD Parks and Recreation Department is committed to providing essential services that enrich the lives of our residents and visitors. Despite today's new and different challenges brought about by COVID-19, our team continues to strive to offer quality recreational opportunities across our parks, facilities, and programs. This summer may be shaping up to look and feel different than what we are used to here at Lake Tahoe but one thing remains consistent, our team recognizes the importance of recreation in building our healthy mountain community. We will continue to monitor state and county directives, and local agency recommendations and requirements for guidance on when and how to resume programs and operations. For the most up to date information on parks and facility operations and recreation programs, visit [tcpud.org](http://tcpud.org).

# Recreation at Home

## Recreation Resource Center

The Recreation Team is committed to continuing to support our community as we navigate the new learning and recreation challenges we face today. We're here for you and now offer a Recreation Resource Center as the place to find fun activities to do at home. We invite you to check out this working list of local and global resources that will help you stay fit, engaged, and connected. Visit [tcpud.org/recreation-resource-center](https://tcpud.org/recreation-resource-center).

## Share With Us

We invite you to share the extraordinary experiences you are creating at home with us. Email your photo or video to [recreation@tcpud.org](mailto:recreation@tcpud.org) or tag us using #TCPUDtogether to share on our TCPUD Parks & Recreation Facebook and Instagram pages.

## Follow Us

RECREATION AT HOME

Please Note: A modified plan for the safe reopening of Camp Skylandia in July and August for youth ages 5 years to 12 years has been reviewed. Updated information regarding new registration dates and process, additional cancellations, or modified program offerings will be available at [tcpud.org/recreation-programs](http://tcpud.org/recreation-programs).

### Camp Details

- Drop-off and pick-up your child at Skylandia Park, corner of Lake Forest Road and Aspen Street.
- If you are having someone other than the person who dropped off your child pick them up, let staff know as soon as possible.
- Campers must bring the following every day:
  - Face covering
  - Water Bottle
  - Sunscreen
  - Closed-toe shoes
  - Water shoes for the beach
  - Hearty lunch with snacks
  - Bathing suit and towel

### Important 2020 Information

- Camp 2020 dates are July 6 - August 14.
- You must register your child in the group according to the grade they will enter in the 2020-21 school year.
- Payment must be made with registration before drop off.
- Drop-ins are not permitted if space is available. There are no field trip days.
- Parents must complete an updated emergency contact information form at the beginning of each session.
- A birth certificate may be required to verify age of child.
- There are no camp overnights or After Camp.
- Air Quality - TCPUD will monitor air quality conditions in the event of nearby fires affecting our area. If we need to cancel camp due to poor air quality, we will communicate closures by 7am.

# Staff Highlight

## Bob Bonino

The Tahoe City Golf Course and its manager Bob Bonino have a long history together. Bob is the grandson of Carl and Elise Bechdolt, who owned the course from 1948 to 2012. Bob was nearly born on the 3rd green of the course when his mom went into labor playing golf. He spent his early years living in Tahoe City, attending Tahoe Lake School and learning the game of golf.

At 13, he moved to San Francisco and continued to pursue golf, playing in high school, junior college, and at the University of San Francisco, where he received a degree in Hospitality Management. In 1987, Bob was asked by his aunt to run the Tahoe City Golf Course, which he did until 2004.

In 2012, the Bechdolt Family sold the course to TCPUD and partners. Since 2017, Bob has served as the course manager. To Bob it's more fun than work. He not only holds a wealth of knowledge about our community golf course but also understands the importance of the hospitality aspect of the game.

Come meet Bob this summer at the Tahoe City Golf Course.

# Family Friendly Golf

# Capture Tahoe City Photo Contest

We want to see our parks and recreation through YOUR eyes.

Have you participated in a youth sports program, enjoyed a round of golf at Tahoe City Golf Course, attended a TCPUD special event, ridden on the 23-mile trail network, or just enjoyed one of our incredible parks? Share your experiences with us and submit a photo and testimonial to the Capture Tahoe City Photo Contest. Receive a chance to win prizes and be published on TCPUD's social media, website, and in future recreation guides.

Contest ends September 1. For more information, visit [tcpud.org/contest](http://tcpud.org/contest).

## Thank you 2019-20 Winter Sports Park Ice Rink Sponsors

This past winter season 23 local businesses sponsored the Tahoe City Ice Rink by purchasing Dasher Board signs. This community support benefited TCPUD's inaugural youth hockey league and ice rink operations. # Sailing

Our long established and popular sailing program is a collaboration between the TCPUD, The Tahoe Community Sailing Council Foundation, Tahoe Yacht Club, and Obexer's Boat Company.

## Youth Sailing (10+ Years)

Young sailors will learn basic water safety, boating skills, knots, right-of-way rules, docking, breaching, tacking, gybing and rigging depending on the level. All participants must be able to pass a basic swim test at the beginning of each session. See level descriptions and requirements below for our Youth Sailing levels. Wet suits and PFDs are provided, or bring your own. Scholarships available.

Day: Tuesday - Friday

Time: 10am - 4pm

Fee: \$228 Resident / \$249 Non Resident

Location: Lake Forest Boat Ramp

Date	Level	Time
July 7 - 10	Intermediate	10am - 4pm
July 14 - 17	Intermediate	10am - 4pm
July 21 - 24	Intermediate	10am - 4pm
July 28 - 31	Intermediate	10am - 4pm
August 4 - 7	Advanced	10am - 4pm
August 11 - 14	Advanced	10am - 4pm

## Youth Sailing Levels, Descriptions, and Requirements:

**Novice** - For students new to sailing. No Novice sessions will be offered Summer 2020.

**Intermediate** - For students looking to increase their sailing skills. Must be able to recover a capsized boat and execute controlled tacks and gybes, understand basic sail trim, and ability to make headway upwind.

**Advanced** - For proficient sailors needing to advance their sailing skills. Students will sail Picos with one sailor per boat and 420/FJs with two sailors per boat. Must be able to make precise tacks with little over/under steering, avoid unplanned gybes and feel comfortable controlling a heeling Pico and 420/FJ in moderate shifty winds.

## Junior Race Team

Advanced students are invited to join the Tahoe Yacht Club Monday Night Laser Races. Holding their own start, participants will skipper single-handed Picos or Lasers. Must have permission from Race Team coach.

Day: Monday

Fee: \$285 Resident / \$295 Non-Resident

Location: Lake Forest Boat Ramp

Activity#	Date	Time
2739	Thru August 17	5pm - 7:30pm

## Junior Race Team & Clinics

Students signed up for Race Team are automatically enrolled in Junior Race Clinics. Pre-Registration for Race Clinics is required.

## Junior Race Clinics (12+ years)

One-day advanced clinic for youth looking to move from Picos to Lasers. Each participant must provide their own properly maintained boat, or has made arrangements with the Race Team coach.

Day: Monday

Fee: \$67 Resident / \$77 Non-Resident

Location: Lake Forest Boat Ramp

Activity#	Date	Time
2740	Thru August 17	1pm - 4:30pm

## Junior Assistant Sailor (12 - 15 Years)

This volunteer-based program prepares young sailors to be sailing instructors. At age 16, these youth can take it to the next level and complete the required steps to become a Level 1 instructor through US Sailing. Applications available online at [tcpud.org/junior-assistant-sailor-2020](http://tcpud.org/junior-assistant-sailor-2020).

**Note:** Modified sessions of Youth Sailing, Monday Night Race Team, and Race Clinics have been reviewed. Full program updates available at [tcpud.org/recreation-programs](http://tcpud.org/recreation-programs).

### Kayak and SUP Camp (12 - 17 Years)

Tahoe Community Sailing gives campers an opportunity to get out on the water to practise kayaking and stand up paddleboarding and explore the North Shore of Lake Tahoe up close from the water. Campers will engage in water activities, weather awareness, local weather and ecosystem knowledge, and water safety.

Day: Tuesday - Friday

Fee: \$145 Resident / \$155 Non-Resident

Location: Lake Forest Campground Boat Ramp

Date	Time
July 14 - 17	10am - 1pm
July 21 - 24	10am - 1pm
July 28 - 31	10am - 1pm
August 4 - 7	10am - 1pm
August 11 - 14	10am - 1pm

We are proud to partner with the California Division of Boating and Waterways (DBW) and to provide a safe boating environment in Lake Tahoe. Through DBW's support, we strive to enhance our students' knowledge of boating laws, practical handling of vessels on the water, weather and water conditions, rules of the road, equipment requirements, and environmental stewardship. Our mission is to promote the public's right to safe, enjoyable, and environmentally sound recreational boating.

An aerial photograph of a busy beach scene. A long wooden pier extends from the top left towards the center of the frame. The water is a deep, clear blue-green, and the beach is a light tan color. Numerous people are scattered across the pier, the water, and the sand. Many people are sitting on towels or blankets on the beach. The overall atmosphere is one of a popular outdoor recreational area.

# Multi-Use Trail System

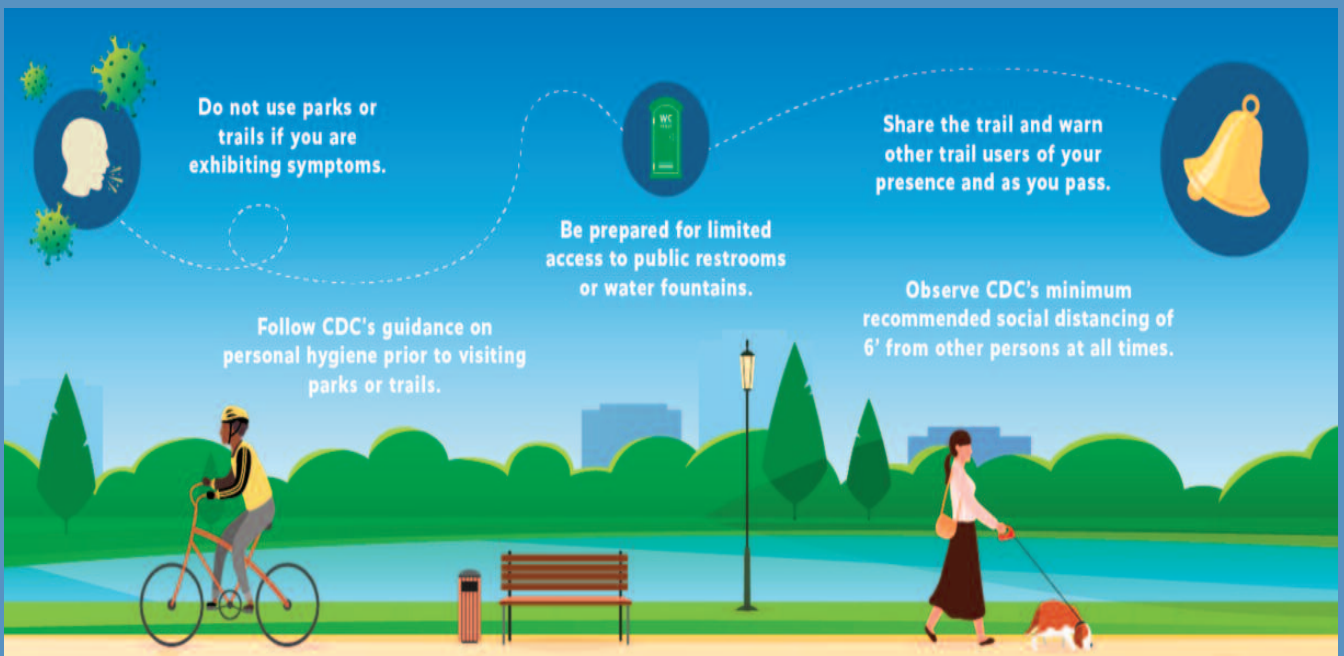

The TCPUD Multi-Use Trail System includes 23-miles of class one trails across the West and North Shores of Lake Tahoe and along the Truckee River to Squaw Valley.

Every summer since 2005, a team of TCPUD staff, partner agencies, and community volunteers administer trail surveys and user counts at four locations within the trail system. The survey data provides valuable information the TCPUD uses to evaluate and prioritize improvement opportunities that further the public's enjoyment of the trail system. A few highlights from the 2019 survey results include:

- 91% of respondents claim the trails play a significant positive role in North Lake Tahoe enjoyment.
- 76% of respondents indicated they have, or would use the trails in the winter. (TCPUD clears 10+ miles)
- 48% of respondents would have used a car for their trip had they not been using the trails.
- 11% of respondents were using Class-1 or Class-2 electric bikes.

To review the 2019 Multi-Use Trail Survey Summary Report visit [tcpud.org/trails](http://tcpud.org/trails).
